OVERRULE MOTION TO RETRY MURDER CASE

NEARLY TWO DAYS OCCUPIED BY ATTORNEYS IN THE MIGHELL CASE.

CASE MAY NOT BE APPEALED

States Attorney Edwards Replies to Attorney Erwin's Arguments Today.

BULLETIN, 3 P. M.

Late this afternoon, at the conclusion of States Attorney Edwards' argument Judge R. S. Farrand on the circuit bench, overruled the motion of Attorney John Erwin for a new trial in the case of Ira Mighell, convicted of murder.

Immediately Mr. Erwin filed a motion for an arrest of judgment during which time the record of the case can be prepared for an appeal. However, Mr. Erwin is not disposed to rest on this motion alone and wil! at once apply to the Illinois supreme ccurt for a writ of supersedas which if obtained will result in the stay of all proceedings

It will be necessary that Mr Erwin go to Springfield and argue the matter before the supreme court and should he secure the writ it will mean that he will have plenty of time in which to prepare his appeal. Meanwhile, Mighell will remain in the custody of the sheriff.

Prior to the resumption of argu-Ira Mighell, convicted of murder by a jury in the present term of court this morning, Judge Farrand heard the testimony in the divorce suit of Anna B. Mr. Erwin finished giving his very lengthy set of reasons why a new trial should be granted before court adjourned last night so that, after fully and completely." the testimony in the above mentioned divorce case, States Attorney Edwhy a new trial should not be granted.

Mr. Erwin maintained that these instructions were in error in that they failed to comply with sections 148 and 149 of the criminal code of the state of Illinois which provide as

Mr. Erwin's objection to these instructions was that they contained the words "absolutely necessary" when these words do not appear in ments for a new trial in the case of the statute. He also maintains that the instructions did not give fair position to the element of self-defense.

Remedies are Needed

Were we perfect, which we are not, medicines would not often be needed. But since our systems have become weakened, impaired and broken down through indiscretions which have gone on from the early ages, through countless generations, remedies are needed to aid Nature in correcting our inherited and otherwise acquired weaknesses. To reach the seat of stomach weakness and consequent digestive troubles, there is nothing so good as Dr. Pierce's Golden Medical Discov-

If you, too Mrs. Housewife, want to learn what Calumet means to you, bake with it just one batch of biscuits. If you don't find it unlike any other - so much greater in leavening power - in uniformity - in purity - return it, and get your money back.

That's all we ask - and think what it means to you to always be sure that each time you bake you will have the most tempting biscuits, pastry, etc. Think of it - the highest quality Baking Powder at a moderate price - the most economical in use. Cheap big can kinds give you quantity, but not quality. High-priced trust brands mean extravagance. For no Baking Powder can be equal in quality to Calumet. Was not that proven when it received the Highest Award at World's Pure Food Exposition?

Don't be deceived - ask for Calumet - and get it.

RIDNEY TROUBLES MAY BE SAP PING YOUR LIFE AWAY, DIXON PEOPLE HAVE LEARNED THIS FACT

When a healthy man or woman be gins to run down without apparent cause, becomes weak, languid, depressed, suffers backache, headache, dizzy spells and urinary disorders, look to the kidneys for the cause of it all. Keep the kidneys well and they will keep you well. Doan's Kid ney ills make sick kidneys well. Here is Dixon testimony to prove it

Mrs. William Toot, 512 W. Second St., Dixon, Ills., says: "I suffered for years from kidney complaint and my back ached persistently. I was so weak at times that I could not attend to my housework and nothing did me any good. Finally, I got a box of Doan's Kidney Pills at Leake Bros. Co's Drug store, and they cured me. I feel that my experience should convince the most skeptical person of the merit of Doan's Kidney Pills. I know of a 940 number of other people who have 965 taken this remedy with great benefit (Statement given February 5, 1907.)

RE-ENDORSEMENT Mrs. Toot was interviewed on January 5, 1910, and she added to the above: "I have no hesitation in verifying my former endorsement of Doan's Kidney Pills. During the time that has elapsed, I have taken this remedy occasionally and it has always brought prompt and fective relief."

For sale by all dealers. Price 50 Foster-Milburn Co., Buffalo, New York, sole agents for the United Sates.

SHE WAS SPRISED.

New Church Member Did not Like Clergyman's Advice.

On a corner near the church one stormy day the rector met one of his recent converts, an old negro woman, trudging along the street. "Hello, Liza," said he, familiarly;

"how are you this morning?" "Ah can't say Ah's feelin' very good dis mo'nin', suh. Ah's out o' sorts somehow. Ah guess maybe it's

"Suh, Ah done joined de chu'ch. Yas Ah did, such!" exclaimed the old negress, gazing deprecatingly at the clergyman.

"I'm well aware of that, Liza," rejoined the minister, a little surprised at this turn. "It was through my appeals to your heart that you joined, I'm glad to say!'

"Den Ah's s-prised dat de head ub dat chu'ch, de berry one who preach all de virtues ebbery Sunday, should stop a poor old nigger woman on de street an' delib'rately tempt her to tell a lie. No, suh; Ah's true to de chu'ch an' Ah tells de truf in spite ub de debbil or any ub his agents!"

THE END WAS NOT YET.

She-So this is the end of our engagement. He-It is for you but it will take

me years to pay the bills. Too Deep for Her. Mrs. Jones often declared that she really enjoyed a little chat with their fish dealer because he was a man of such original ideas, but one day she

(They remove their benevolent aspect and look as crafty as they please).

His Alarm Clock. "I guess," said the Yankee who had been asked to admire an echo, "I guess you don't know anything about echoes in this country. Why, at my country place up in the Rocky Mountains it takes eight hours to hear the echo of your voice. When I go to bed I put my head out of the window and shout "Time to get up!" and the echo wakes me in the morning."

Read What This Girl Says:

Appleton, Wis. - "I take pleasure in writing you an account of my sickness. I told a friend of mine how I felt and she said I had female trouble and advised me to use Lydia E. Pinkham's Vegetable Compound, as she had taken it herself for the same trouble with wonderful results. I had been sickly for two years and overworked myself, and had such bad feelings every month that I could hardly walk for pain. I was very nervous and easily tired out and could not sleep nights. I had dizzy spells, and pimples came on my face. But I have taken your Vegetable Compound and I am entirely cured. I think it is the best medicine in existence."—Miss Cecilia M. Bauer,

1161 Lawrence St., Appleton, Wis. THIS GIRL SAYS IT IS WOMAN'S BEST FRIEND:

Chicago, Ill.-"Your Compound cured all my troubles and I am Chicago, Ill.—"Your Compound cured all my troubles and I am feeling strong and happy and able to work now. Wherever I go I shall praise Lydia E. Pinkham's Vegetable Compound, as I think it is woman's best friend. I have told all my friends the good it has done me."—Miss Maggie Isbauer, 2418 So. Whipple Street, Chicago, Illinois.

Lorimor, Iowa.—"I had a heavy cold in the spring and got all run down and was irregular. I had no strength and had bearing down pains in my sides and back, and was very nervous and excitable. I took Lydia E. Pinkham's Vegetable Compound, and I am all right again, and stronger than before."—Miss I. E. Williams, Lorimor, Iowa.

Is it not reasonable to suppose that a medicine that did so much for these girls will benefit any other girl who is suffering with the same troubles?

Does it not seem the only sensible thing to give such a medicine at least a trial? You may be sure that it can do you no harm, and there is lots of proof that it will do you much good.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit. Mrs. Pinkham invites all sick women to write her for advice. She has thousands to health free of charge. My book gives a good description of cancer and its treatment. This book is sent by mail in plain envel-ope on request. I never treat a patient without first making a personal examination. No X-Ray treatment is used. My treatment is quick in causing the growth to disappear, never to return. Only one call at the office is required in many cases.
